Name: Shalee Qureshi – 791635 Excellent work

Communication: Creating code that follows proper programming conventions											7	/7C		
Criteria	Mark	0	1		2		3		4		5	Comment		
Code Documentation	on													
includes:														
☐ Class Header(s))													
☐ Method Descri	ptions													
☐ Section Descrip	otions													
☐ Line comments	5													
Code Format Includ	des:													
☐ Use of White S	pace													
☐ Proper Indents														

Thinking: Design & Write effective program solutions that meet specified requirements.												5/5T		
Criteria	Mark	0		1		2		3		4		5	Comment	
Meets Requiremen	ts:													
□ Very Incomplet	e													
☐ Limited Comple	etion													
☐ Mostly Complet	te													
☐ Fully Complete														
☐ Fully Complete	/Good													
Design														
Code Execution:														
☐ Complete														
☐ No runtime erro	ors													

Application: Applies programming skills to implement required program features 14 /14A												
Criteria Mark	0		1	2	2	3	3		4		5	Comment
